Program

# The Regional Okanagan Site

- To be established in July 2020
- 3 CMG, 1 IMG spots
- Site pilot with 4 of the current R1's in February 2021
- Impetus for the site:
  - To tap into the great training opportunities for FP residents in Kelowna and vicinity
  - To help with recruitment & retention; currently 30,000 unattached patients in Central Okanagan

Regional  
=  
Rural

- Goal is the same:

*To train skilled, full-service family physicians that would be competent to practice in any community in Canada—rural or urban*

- R1 is the same (block-based, KGH)
- R2 also very similar (electives x 4 months; rural rotation; TTP)
- All attend the Resident Retreat at Big White

# Regional ≠ Rural

- Regional R2 rotation
- More teaching opportunities for regional R2s
- Regional residents will not have access to rural funds (e.g., courses, conferences)
- Mandatory elective in “health equity & care of community” (instead of ER)
- Regional residents won’t have first dibs on rural sites

# Regional R2 Rotation

Regional residents spend 4 months of R2 based in Kelowna and vicinity (e.g., Vernon):
